# FRANCESCO TAIARIOL

- + Francesco Taiariol, Tau Group's co-founder and CEO, is an accomplished entrepreneur with a background in mechanical engineering (MSc from Politecnico di Torino & CentraleSupelec) and a track record as an inventor. With a clear vision for Tau's development, he is leading the company, alongside his co-founders, to become the industry standard in sustainable, high-performance magnet wire for automotive and energy industries. Francesco's expertise in both technical and business aspects has been instrumental in driving Tau's success.

# FILIPPO VEGLIA

- + Filippo Veglia, co-founder and CSO of Tau Group, is a visionary entrepreneur with a background in mechanical engineering (MSc from Politecnico di Torino) and a sound understanding of business (MBA from the Center for Financial Studies of Madrid). With his expertise in both technical and business aspects, Filippo leads the development and implementation of Tau's growth strategy. His keen understanding of the industry landscape and emerging trends has been instrumental in shaping the company's vision for the future. Together with his co-founders, Filippo is driving Tau Group to become the industry standard in sustainable, high-performance magnet wire for automotive and energy industries.

# PIERO DEGASPERI

- + Piero Degasperi is co-founder and CTO of Tau Group. With a background in mechatronics (MSc from University of Trento & CentraleSupelec), Piero brings extensive technical knowledge to Tau. His technical expertise has been instrumental in driving Tau's success. He ensures that Tau remains at the forefront of industry innovation by overseeing the development and implementation of Tau's advanced magnet wire technology. Along with his co-founders, Piero is leading Tau to become the industry standard for sustainable, high-performance automotive and energy magnet wire.

# ARTYOM GOLODNOV

- + Artyom Golodnov, Tau's CFO and early investor, brings a unique blend of finance, fundraising and risk management expertise to his role having an MBA from France and eight years as a VP at Goldman Sachs. In 2017, he joined Tau to lead the finance vertical and to assist the three Italian founders in fundraising for business growth. Artyom's track record of executing complex transactions has been instrumental in driving Tau's success.
